The Unemployment Insurance Division invites employers to join our upcoming webinar on SIDES.

With SIDES E-Response, employers can use the internet to receive and respond to separation and earnings verification requests as well as potential charge notices. UI staff will demonstrate the free and secure web-based solution that supports electronic communications between UI and employers for benefit/claims-related processes. The SIDES E-Response webinar will be **Thursday, December 13, 2018, at 1:30 pm.**

To sign up for the SIDES E-Response webinar, just send an email to UISIDES@mt.gov with your contact information, including name, employer, email address and phone number, and we will take care of it from there.
